

# WHERE CAN YOU ENJOY A CRAFT BEER IN BILBAO?

Do you fancy a nice, cold beer?

**Germany may well be second to none when it comes to beer but... hey! Bilbao's not far behind them. Here we also know where to find some great brews to suit all tastes.**

So, let's set off on a tour to find a few bars that carry a great selection of beers and craft beers and maybe even a brew or two of their own!

**BASQUETRY: CRAFT BEER BREWERY, MALT MILL**

The [Basquetry's](#) craft beer is made in Bilbao from their **own formulas** using

the best water to be found in Europe, a variety of freshly milled malts, fresh hops from **different sources** and a whole lot of passion. The result is a different beer served straight from the maturation tanks, a beer that will surprise you. de maduración, una cerveza que sorprende, que tiene alma.

It takes **carefully** tested formulas, the best ingredients, a meticulously controlled brewing process and respect and love for the product to produce a Basquery craft beer. They offer Golden Ale, Brown Ale and IPA, among others.

### **BIHOTZ CAFÉ: 6 CRAFT BEERS ON TAP**

A **warm welcome** awaits us at the [Bihotz café](#) thanks to the friendly attitude of its hosts and the care they take when serving you.

If you like beer, then you'll find **6 taps and the best craft brewers right here**. Two of the taps always offer the same beer, but the other ones rotate depending on what's available at any given time, bearing in mind that they only produce **their craft beers in small quantities**. There's also a wide range of different types of bottled and canned beers that you'll be hard pressed to find in any other bar in Bilbao. New brews are added every week.

### **LA MUGA: AN ARCHETYPAL BEER BAR IN BILBAO'S CASCO VIEJO**

11 taps, four of them offering **craft Basque beers** that rotate regularly, and a wide range of local, national and international bottles. That's [La Muga](#) for you.

In 2017, three sisters called Silvia, Sorne and Abarne embarked on a new project: La Muga! They were quite clear from the very beginning that what they wanted to do was offer a wide range of beers, but that was easier said

than done. Silvia decided to head to Barcelona to get information, learn, and put a few ideas together.

Given that they firmly believe in **sourcing their products locally** there was no way their drink was going to be an exception to the rule. That's why they have 4 taps serving **Basque beer** (Boga, La Txika de la Cerveza, Drunken Bros and Tito Blas) which they rotate regularly - it's no wonder their customers are crying out for more.

Craft beer, vegan options on the menu and more than **50 different wines** that have made this place a major attraction for Bilbao's top sommeliers. Silvia's favourite tippie is La Txika de la Cerveza, have you tried it yet?
